Our Search for a Preacher

Every member's involvement is essential in our search for a minister to work with us at Hwy. 36. You may recall that from the beginning we have asked God to help us, and to provide wisdom and understanding. We want to learn to rely more on the LORD than we have ever relied on Him in the past. We know this process of looking for a partner in the work of preaching and teaching, seeking out lost souls in our neighborhoods, ministering to the needs of the weak and exhorting one another—is taking some time. But we believe it is crucial to be very deliberate. Remember the instructions of I Corinthians 3:6-9: "I planted the seed, Apollos watered it, but God made it grow. So neither he who plants nor he who waters is anything, but only God, who makes things grow. The man who plants and the man who waters have one purpose, and each will be rewarded according to his own labor. For we are God's fellow workers; you are God's field, God's building." Let's not give up on that mindset. May we continue to be active and diligent in our efforts, especially as we are "Renewed Again in 2010!" - Hwy. 36 elders -

Remember to encourage your Secret Sister in this ministry of giving from the heart!
