### Special Contribution Today

Today has been identified as one on which to give extra toward the recently completed fellowship, classrooms, nursery & restrooms renovation project. In addition to what each of us has decided to give for the work that the Hwy. 36 church does in missions, benevolence, evangelism, and its other ministries, we have been challenged to give an additional amount to help pay for the renovation costs of our facilities.

Today is Mission Sunday. We are excited to hear about two different mission efforts that Hwy. 36 supports! Enrique Carrillo will give a report on his work in Mexico and Darrell Conway will be giving a report on the Zambia Medical Mission from this past July. We hope you will encourage these men by being present at the evening service.
