Special Guest With Us Today!

We Welcome Jeremy Smith as we study, worship & fellowship together today. Jeremy is interested in working with our youth. He will be with J in the high school class this morning, then worship with us at both services today. We will all have an opportunity to get to know Jeremy at our fellowship dinner and he will also share a devotional thought during our worship in song this evening.

Sermon This Morning "Citizenship and It's Privileges" Ephesians 2:11-22

Remember that at one time you weren't citizens, Paul told the Ephesians. But why bother to tell them to remember that? What was it about their citizenship that they might have forgotten? The answer to that question says a lot to us about where we are.
