## Welcome Visitors!

We are glad that you are here with us this morning. May you experience the love of Christ this morning and His presence during our worship. We hope you feel welcomed by God's family at Hwy. 36! We invite you to come back anytime you can! Have a Blessed Day!

## Special Guests this Morning!

We welcome **Luke Tebow** and **Bo Hopkins** to our assembly for worship. These young men have just this past week completed the Preacher Training Camp (PTC) sponsored by the Oldham Lane congregation, and will be preaching this morning. Luke and his family worship at Oldham Lane, and he is a recent graduate of Abilene High, while Bo is a sophomore and worships with the Lawn church of Christ. Let's encourage these young men by giving our full attention to their respective messages.

## His Praise is on my tongue. Psalm 66:17b

From the shepherd's pen:  
The apostle Paul addresses a serious problem plaguing the Christians of Galatia in his letter to the churches in that area of the world. You see, many of the brothers and sisters in Christ had 'deserted Him...for a different gospel' (Galatians 1:6)! These were people who had heard the true gospel of Jesus, had believed from their hearts the message of salvation through nothing else but the blood of Christ and the power of His resurrection from the dead...but now were falling prey to the distortion of this message. They were being taught by false teachers (2:4-5) that even obedient believers to this true gospel had to submit to the conditions of the Old Law of regulations, particularly with regard to circumcision, or else lose their salvation. How could sensible people be convinced of such bindings when they had experienced freedom in Christ? The simplicity of the gospel of Christ must never be compromised. May we always keep in mind the inspired words of Paul in Galatians 1:10: "For am I now seeking the favor of men, or of God? Or am I striving to please men? If I were still trying to please men, I would not be a bondservant of Christ."
