Year 22, Issue 81

KKIBI

The Bible school is still running with seven full time students. We could have accepted six more students from both Laos and Thai, but because of a shortage of support, we had to turn them down.

Steve Webb, Iz, and myself are full-time teachers, and my niece, Gai, the English teacher, helps improve the students' English so they will be able to get more out of their studies.

Covid 19 is spreading for the second round in Thailand—worse than the first time during January through November of 2020. We will continue our teaching in class. We taught on LINE for few months, and if necessary, we will do it again.

Sunday Morning Worship Called Off Again

The leaders of the Kum Hai Church have temporarily stopped Sunday morning worship for January and February, eight weeks. We resume meeting again in March after the vaccine is available, and the number of new cases decline. Please also pray for us as we pray for you in America.

Fourth Generation Christian

Mick, eleven-years-old, is the fourth generation Christian just baptized on December 6th, 2020. His great-grandparents, grandparents, and parents are Christians.

His grandmother, P-Boon, became the first Christian in the family and the first in Khon Kaen. She then brought her parents to become Christians. All her children are Christians and now, her grandson, Mick is too.

P-Boon was our one of the six converts of our first year work in Khon Kaen, forty-six years ago. We thank God for her faith. She still struggles so much in her Christian life, but she led her whole clan to Christ, Amen.

Bible Talk Thailand

Danny, my son-in-law, and I have done over three hundred video clips on YouTube and Facebook this last year. One of my sermons on “Giving” has 60K views.

I have made many series such as the Genesis Flood, Bible and Natural Science, Astrology, Lessons from animals—Lion and Eagle, etc. These videos are viewed in more than ten countries and thirty provinces in Thailand. Just pray that God will do something through these videos.

New Congregation – WeingInn

I was invited to preach at the new congregation that began last year on December 27, in Kranuan District, Khon Kaen Province. There are about twenty members there. There is great future for the church there because there are more than ten young people less than fifteen years old there and they can sing well.

The church has asked me to preach for them annually until I die.
