Dear Brothers and Sisters in Christ.

Greetings to you in the name of our Lord and Saviour Jesus Christ. We are doing well as family.

FIVE PEOPLE REDEDICATED THEIR LIVES TO THE LORD - RIVER VIEW CHURCH OF CHRIST.

On 13/03/2022 I preached at the four month old church River View. The church is growing very steadily numerically, the attendance in that Sunday was 121 people. Five people came forward and requested for prayers and were prayed for restoration. The church has alot of children. I highly appreciated for the funds of purchasing benches. Members are now able to sit comfortably as they worship their creator. More is needed to develop able local leaders to run the new church. More leadership lessons are needed.

GOWELL AREA GOSPEL MEETING UNDER WAY

Gowell Church is doing well. Well, we are very busy preparing for the area Gospel meeting which will be held in first week of the month of May 2022. We need your prayers for God to bless all we need for the meeting.

May the goodness of God be upon you always.

In His Service,
Patson and Marg Syula
