MONTERREY DAY AT HWY 36

We started the second quarter of the year with our traditional “Monterrey Day”. This time, HWY 36 church of Christ was our host. We really appreciate all kindness and love in Christ Jesus showed us by the brotherhood.

Also, we are so thankful with the Mission Committee of Austin Avenue church of Christ at Brownwood, Tx, which as every year were in charge of our lodging.

It was a special day because by two years we couldn't to do it because of Covid-19.

From Monterrey were Jesus Conrado (Director) and his wife; Luis Rodriguez and Salvador Gonzalez (Sierra Ventana Elders) and their wives; Martin Rodriguez, Uriel Lopez, Daniel Gerardo, and their families (students).

MONTERREY DAY AT HWY 36

We presented a brief report about the main activities of the school during 2021.

Also we presented the complete student body and their families including some information about their background.

We talked about the plans that we have in the school and how we are trying to give to the students and their families a better preparation for the ministry for the Lord Jesus Christ.

Brother Bill Pursch gave us a special report about all graduates and what is the state of them.

Also Brother Roland Bowen gave us a financial report

Thank you all for your fellowship. We enjoyed every moment that we stayed among you all.

SEMINAR MONTERREY SCHOOL OF PREACHING 2022

From May 30 to June 3, we had a Seminar focused on the students, students' wives, and to those who already are working for the Lord (Elders, laborers and preachers).

It was a great blessing for the school and for many who graduated years before who came to the seminar.

Also we had a Evangelistic Campaign by nights which was a great blessing for all the brotherhood in our city. By nights we had an attendance about 300 people.

This event was supported by Brother Dennis Reed's foundation which covered the complete expense of the event

Two people were baptized for the remission of their sins and were added by the Lord to His church.

LAST BIMESTER OF THE YEAR

As every year, when June is coming, we know the year is finishing and a new class is close to graduate. Students and their families are very excited. They start to think on graduation time and on what will be the place where they will be working for the Lord.

RECEPTION OF APPLICATIONS

As every year, we started to receive applications from potential students since the beginning of the year, but is on this last bimester when we start to consider and make some research about them. Usually we have more applications than we are able to accept. This year we have room for 9 new students supported by Brownwood and 2 single students supported by Sierra Ventana. We pray God that He gave us wisdom to make good decisions on the selection.

OUR GRATEFULNESS

We want to show you our appreciation and thankfulness for the work and support that you have given to Monterrey School of Preaching every year.

We know that without your spiritual and economic support any of this would be possible to do. We keep you all in our prayers that God may prosper you and your families forever.

We pray that God let you all to continue doing the same work for His glory an honor.

Sincerely

Jesus Conrado & Carmen Jimenez
Director
