"Therefore if anyone is in Christ, he is a new creature; the old things passed away; behold new things have come." II Corinthians 5:17

Call to Worship

Therefore, since we are receiving a kingdom that cannot be shaken, let us be thankful, and so worship God acceptably with reverence and awe.

Welcome Visitors

We want to take a moment to extend a very warm welcome to everyone who's visiting us this morning. Whether you're just passing through town, or are searching out for a place to worship and serve God and fellowship with Christian brothers and sisters, we're delighted you're here. May you experience the love of Christ this morning and His presence during our worship.

From the shepherd's pen:

The people living in Israel in 840 – 732 B.C. are worried about the economy, the wars, the threat of wars, taxes, violence, the lack of rains, and the rising cost of food. Then there is the turmoil in the government; assassinations of officials, assassinations of kings, and the people can't help but wonder what kind of future will there be for their children.

Sound familiar?

It's obvious that Satan hasn't changed his strategy to use serious distractions to worry us. It worked then and it works now. There's always going to be some sort of upheaval and crisis so he can use that noise to turn our attention from The Lord.

In the Old Testament we have all the examples and consequences of the people's actions and The Lord's reaction. In the New Testament we have the benefit of seeing Jesus fulfill the promises and the gift of the Holy Spirit to see the mystery revealed. Satan's strategy is to blur, to worry, and to confuse our "reality".

But "...in all these things we are more than conquerors through him who loved us. For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, or anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord." Romans 8:37-38

Special Guest today and Fellowship lunch!

Roberto Alvarez from Guatemala is with us this morning and will speak during our worship assembly. We hope you'll plan to stay for fellowship lunch and share a meal with our special guests. We always have plenty of food to share. Pray for safe travels for those who have travelled to be with us on their journey home.
